

# Invoicing Bayer

DO NOT send invoices to the fiscal address. Please check the correct **Invoice Submission Address**.

If an email address is specified, PDF invoices can be sent via email.

Please refer to the PDF invoicing guidelines (<https://www.bayer.com/en/emailpdf-info-page.aspx>).

For successful invoicing, please ensure that your invoice meets the general invoicing guidelines.

<https://www.bayer.com/en/general-invoicing-guidelines.aspx>

| Country   | Company Name                      | Fiscal Address                                                                                                                                                                                                                                       | Invoice Submission Address                                                                                                                                                                                                                                                                                                   |
