

Update on Bank Data Validation Procedure

Dear Valued Partners,

We are pleased to inform you that Bayer has officially partnered with **Trustpair**, a reliable provider of digital solutions for third-party risk management. This collaboration strengthens our bank data validation process and reinforces our commitment to have the highest standards of security, accuracy, and efficiency in our financial operations.

What This Means for You

- **Secure Validation:** Bayer will leverage Trustpair's secure platform to validate your bank details to protect against potential fraud attacks.
- **Improved Payment Reliability:** Ensuring accurate bank data helps us process payments more reliably and on time.
- **Action Required:** You may receive validation call from Trustpair if further verification is needed. Trustpair will request confirmation of the bank account and will not ask for additional information. **We request you to consider the communication as legitimate, while continuing to remain vigilant and follow standard security practices.**

Below are the contact details of Trustpair that might reach out to you:

Phone Numbers:

- (FR) +33 (0)1 76 49 00 46 for FR, BE, DE, CH, IT, AT
- (US) +1 609 389-6307 for North and South America
- (UK) +44 203 868 8862 for UK, Eastern Europe, ES, rest of the world
- (FR) +33 (0)1 89 71 10 86 for potential high-risk cases

If you have any questions or concerns, please feel free to reach out to your Bayer contact.

Thank you for your continued partnership.

Kind regards,
